Dear Mr. Vera:

This is in response to your Freedom of Information Act requests referenced above regarding: epidemiological and health surveys, and exposure pathway assessments at George Air Force Base (AFB). Thank you for the extension of time to complete processing your request to October 22, 2014.

An index of information that may be responsive to your request was provided to you via e-mail on October 6, 2014, and also has been uploaded to the FOIA On-Line website:  
<https://foiaonline.regulations.gov/foia/action/public/home>.

You indicated that there were no documents on the index you wanted a copy of, however provided a list of other documents you were seeking. We did not locate these in our records, and provided you with FOIA contact information for the Agency for Toxic Substances and Disease Registry (ATSDR) office who may have additional documentation. If you have any questions, please contact Nadia Burke of this office by phone at 415-972-3187, or e-mail at [burke.nadiahollan@epa.gov](mailto:burke.nadiahollan@epa.gov).

You may appeal this decision to the National Freedom of Information Officer, U. S. EPA, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, N.W.
